Colleagues, here is a draft memo + 2 attachments to clarify the request.
 As noted Jennifer wants to send this today, so comments by say 3 pm would be most helpful.

Good Morning,

The Data Inventory does not impact the PFAS Data Explorer. I don't think delaying receipt of Data Inventory data would have a critical impact on anything. Ex. 5 Deliberative Process (DP)

Jennifer,

Thanks. I have copied Brett Doyle. As the AO lead on Pb he should be engaged in this as well.

I have a couple of initial comments:

Nancy, as mentioned, attached is a one pager on the inventory. It has been reviewed by OECA

Let me know if questions remain. I could send this out to explain the earlier email if that would be helpful
